

ABOUT A CHAIR / AAC50

Design by Hee Welling & HAY

The AAC50 version shares the same distinctive and uncluttered shell as the rest of the About A Chair series. The chair features a five-legged castor base equipped with a semi-automatic gas lift that can adjust the seat height from 42 to 56 cm. The stylish, functional design combined with the elegant swivel base makes it perfect for formal or official settings and work-at-home offices. The polypropylene shell is available in a large number of colour and upholstery options and the base comes in various finishes.
