# Recycling & Disassembly

In Between <sup>SK1 & SK2</sup>

## RECYCLING

The In Between chair is built to last, and we hope that your In Between will serve you for many years. The chair is made from solid wood and wood veneer, and can be easily separated from its base. All metal and wooden parts can be separated and delivered to a suitable recycling station.

## SPARE PARTS

To purchase spare parts for your In Between chair, please write to our sales support team at [info@andtradition.com](mailto:info@andtradition.com) with your query.

## 5 YEAR WARRANTY

&Tradition provides a 5-year warranty with every In Between chair, which covers faults which were present at the time of purchase, or which have occurred as a result of a manufacturing defect. The warranty is valid from the date stated on the original invoice.

## DISASSEMBLY

### Disassembling of In Between chair

1. To disassemble the In Between chair use an Allen key to loosen the screws holding the veneer panel in place.
2. Remove the veneer panel and unscrew the two screws located at the back of the seat.
3. Remove the gliders.

### Disassembling of upholstered seat (SK2 only)

1. Unscrew the screws underneath the seat and remove the textile, padding and bushing from the wooden base of the seat.
2. Remove the textile, padding and bushing from the wooden base of the seat.
