

JWDA TABLE LAMP
TRAVERTINE, RED - EU - LARGE
Designed by *Jonas Wagell*

An instant classic, the JWDA Table Lamp is the kind of sculptural piece that brings new life to a room, illuminating a window sill, shelf or side table with its warm, glare-free glow. Inspired by traditional oil lamps, its contrast of rounded opal glass against a solid base creates a balanced and intriguing silhouette. The timeless indoor lamp is available in three marble types and red travertine stone, fitted with either a bronzed or brushed brass dimmer switch to control the light intensity. Bulb and replacement shade available for purchase separately.
