# FLY SOFA SC12

BY SPACE COPENHAGEN  
2017

The Fly Series signals a sculptural approach to design without sacrificing comfort. Referencing a classic Nordic aesthetic, details and techniques, seen in the slatted wood backrest, organic shapes and solid craftsmanship, the look is unmistakably modern. In doing so, the series strikes a subtle balance between tradition and innovation, which &tradition champions as a brand.

With the Fly 3-Seater, Space Copenhagen amplifies your experience of lounging and socialising with ease. Three enormous seat cushions invite you and anyone else you would like to be with to relax in absolute comfort, with all kinds of options as to the solid oak colours and types of upholstery. Rearrange the back cushions anyway you like. Add a dog or cat, or curl up with a book or a coffee. And you have all the creature comforts that make a house feel like a home – in a sofa.

<b>Product category</b>	Sofa
<b>Production Process</b>	The Fly range is hand built from solid oak and oak veneer using traditional woodworking techniques. The oak is treated with either a white oiled or smoked oiled finish. The pillows are made from CMHR foam and feather and upholstered in fabric.
