

# ABOUT A CHAIR / AAC 121 SOFT

DESIGN BY HEE WELLING & HAY

The AAC 121 Soft counterbalances the more formal expression of the aluminium swivel base with the softness and warmth of the quilted shell. Retaining the same high backrest and generous seat that characterises the series, this design features a functional base with legs that fan out from the centre. The base is available in polished or powder-coated aluminium, and the quilted shell is offered in a variety of upholstery options, providing a multitude of design combinations that give this series versatility in a wide range of corporate, public, and private contexts.
