

HASHIRA PORTABLE LAMP
TEXTILE, RAW - EU / US / UK / CN
Designed by *Norm Architects*

The Hashira Collection, designed for Audo by Norm Architects, takes its cues from Japanese paper lanterns. The portable iteration of the mood-enhancing design delivers ambient lighting on the go, bringing a warm glow and subtle tactility to spaces indoors and out. Small in scale yet big in impact, it has the freedom and flexibility to move anywhere you want. Fitted with a concealed USB charger socket at the base, the lamp provides 10 hours of adjustable light when fully charged. Place it on our Charging Board, which reanimates multiple devices in a single sitting, or charge using a standard socket. To preserve battery life, switch the lamp off when charging and do not leave plugged in while in use.
